- This policy covers the abroad travel of Turkish and Foreign nationals residing in Turkey.
The insured has to be in Turkey at the time this policy is issued. Otherwise, the policy will be invalid.
- As per Health Travel Insurance Turkish General Conditions article 1, Travel health insurance is a type of private insurance that protects people traveling to, from, or from abroad by using any means of transportation, against the health risks that they may encounter during their travels. The Insurer shall provide the Insured with the indemnity specified in the policy, provided that the accident does not happen out of the planned period of travel and as a result of an accident occurring during the validity of the policy or

DECLARATION CLAUSE

This Insurance Contract is issued in one copy on electronic medium based on the statement of the Insurant/the Insured. If it is found out that the Insurant/the Insured has failed to notify matters that were already or required to be in his knowledge during the execution of this Contract or makes misstatements or understatements, the provisions of Turkish Commercial Code concerning the Obligation to Notify shall be applied.

With this policy issued based on the statement of the Insurant/the Insured, HDI Sigorta A.Ş. provides coverage against risks defined in the policy, being limited to the pre-defined insurance sums, in accordance with the relevant general clauses and Assistance Services Coverage Information.

The General Term(s) & Claus(es) set forth in the policy may be printed and delivered by the Insurer upon request. You may always access to said general clauses via www.hdisigorta.com.tr website of our Company at any time.

Special Conditions

- The Insured shall not be entitled to rights of indemnification in case of his/her misrepresentation and/or contradiction to statements.2)This policy shall be valid for travels of maximum 92 consecutive days. Cover shall be not valid even if a new policy is issued for travels of over 92 days without entries into Turkish boundaries, and such a period cannot be extended.
- Persons employed in job areas of dangerous profession groups shall be excluded herefrom.

Premium Payment Condition

- Insurance premiums shall be paid in advance.
 - The insurer's liability shall attach upon payment of the whole premium if such payment is agreed to be paid in advance, or of the advance premium if such payment is agreed to be paid in instalments.
- Otherwise, the liability shall not commence even if the policy is delivered. The Assured shall become in default unless the Assured fails to pay any one of premium instalments with due dates set forth in the policy until the expiry of the due date. In the event that the insured goes into default in payment of premiums, then provisions of the Code of Obligations shall apply.

In any case the customer shall report the robbery to the police within 48
hours of the robbery.

Communicable Disease Exclusion and Cyber Exclusion Clause

The conditions set out below are excluded from the insurance coverage unless
stated otherwise in an agreement:

a) Any (actual or alleged) pecuniary and non-pecuniary damages, life injuries
(death, disabilities, ailments and diseases), losses, medical expenses, costs,
defense expenses and expenditures (even if they are collocated with another
reason or reasons that is/are effective continuously or at a particular
phase) directly or indirectly; caused by, contributed by, that is/are the
result/s of and/or related to a Communicable Disease (whether actual or
misperceived) or the fear or threat of a Communicable Disease or any disease
that has been declared as an epidemic by World Health Organization
Within the scope of this insurance cover, the term "Communicable Disease"
refers to diseases, ailments or medical conditions that can be transmitted to
an organism to another through any substance or factor.

As used in the definition above;

- The term "substance or factor" includes (but not limited to) viruses,
bacteria, parasite or other organisms (whether the beings listed here have the
characteristics of "living beings" or not)

- The term "transmission" means contamination in any form; including but not
limited to, direct or indirect contamination by air, bodily fluids, any
contaminations through solid, liquid or gaseous objects or surfaces, or
contaminations occurring between organisms.

- "Diseases, substances or factors" may cause death, bodily harm, discomfort,
or have the characteristics of harming or threatening human health, property
or the elements that make up the property.

b) Any (actual or alleged) damages, life injuries (death, disabilities,
ailments and diseases), losses, medical expenses, costs, defense expenses and

expenditures, directly or indirectly; caused by, contributed by, that is/are the result/s of and/or related to the decisions taken and/or the interventions made by the state, authorised public or private institutions or organisations in order to prevent or reduce the effects of a Communicable Disease (whether actual or misperceived) or the fear or threat of a Communicable Disease or any disease that has been declared as an epidemic by World Health Organization.

c) Including but not limited to the conditions to be defined in the policy; any (actual or alleged) pecuniary and non-pecuniary damages, life injuries (death, disabilities, ailments and diseases), losses, medical expenses, costs, defense expenses and expenditures (even if they are collocated with another reason or reasons that is/are effective continuously or at a particular phase) directly or indirectly; caused by, contributed by, that is/are the result/s of and/or related to the decisions taken and/or the interventions made by the state, authorised public or private institutions or organisations in order to prevent or reduce the effects of the events that are directly or indirectly caused or contributed to by the use or operation of any computer, computer system, computer software program, malicious code, computer virus or process or any electronic system for the purpose of causing harm, and similar cyber incidents and/or sabotages arising from such incidents,

SANCTION LIMITATION AND EXCLUSION CLAUSE

Pursuant to this clause, notwithstanding anything to the contrary under this agreement and/or its annexes, no (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Germany, the European Union, United Kingdom or United States of America. (JC2010/014 11 August 2010) Governments, citizens or companies of countries sanctioned by United Nations, Germany, European Union and the United States of America cannot, under any circumstances, be entitled to any rights, either as from the beginning of or subsequent to this insurance contract. The insurance company shall be discharged from liabilities to provide any cover or pay any indemnity and cannot be held liable even if governments, citizens or companies of such countries are referred to as an assured, insured, pledgee or beneficiary under this policy or the insured interest becomes their property thereafter or rights arising out of this insurance are otherwise transferred to or passed towards them.
